

# Pumpkin Pie Childcare

Welcome to the

Pumpkin Pips

(for our babies up to 2 years)

# Planned activities

Our babies follow a loose weekly plan, based on their interests and developmental needs. Below are some of the overall steps that we work on with your children during their time in this room.

# Our Space

We can offer nursery places from newborn upwards.

Our babies enjoy their own separate space within the building which enables them to learn and develop in a quieter, cosier space. They also benefit from a separate sleep room, an enclosed area for our youngest babies to safely explore, messy activity spaces and easy access to our all year round garden designed with them in mind.

## Outdoor Space

Our babies use the front garden which allows us to bring them out in small tailored groups, or larger ones depending on the activities for the day.

# Messy Play

One of our babies' favourite pastimes is messy play. Whether it's a tray full of shaving foam, water, pasta, paint, or cereal, getting covered head to toe is the most fun you can have as a little person!
